Christ UMC Homeschool Academy (The School) is a church school ministry of Christ United Methodist Church, located in Mobile, Alabama. The School operates under the provisions of Section 16-28-1 et seq of the Alabama Code. The School receives no state or federal funding.

The School administrator shall countersign each student's church school enrollment form. At that time the administrator is responsible for submitting the countersigned enrollment form to the student's public school district of residence and keeping a copy of the countersigned enrollment form. Parents are also urged to keep a copy of this on file.

If a student is no longer enrolled at the School, the School shall submit a notice of disenrollment to the Superintendent of the Public School District. Notice of disenrollment shall be delivered to the parents of the student via the last known mailing address.

Parents of children enrolled in the School shall be considered the teachers of the children whom they enroll. Teachers are solely responsible for selecting curriculum; instructing and testing students; maintaining each student's daily attendance records, grades and transcripts. Teachers must obtain and keep any and all school records from previous schools their children may have attended.

Teachers will submit a copy of attendance records to the School at the end of each quarter. Notice of failure to submit records shall be delivered to the teacher via mail one time. Failure by a teacher to promptly report student attendance to the School may lead to disenrollment from the School.

Teachers must notify the School promptly of any contact by school officials and any change of address, phone or email. Failure to notify the School of changes to contact information will be grounds for disenrollment from the School.

If a partial family enrollment is processed, leaving one or more children in public school, an additional enrollment fee is due if parents later decide to remove them from public school and add them to the family enrollment.

Failure to pay membership dues by August 1 for the upcoming school year will lead to disenrollment from the School and notification to the Board of Education.
